

Become a Woodinville High School Theatre Sponsor

The Woodinville High School Theatre Company is a vibrant and thriving theatre company dedicated to bringing the magic of the performing arts to our community. We are reaching out to you because we believe in the power of collaboration and the tremendous impact that sponsorship can have on the success and growth of our theatre program.

At the Woodinville High School Theatre Company (WHSTC), we are passionate about nurturing creativity, cultivating talent, and fostering a deep appreciation for the arts. For the past 9 years, under the direction of Josh Butchart, we have been staging breathtaking performances that inspire, educate, and entertain audiences of all ages. Our productions have showcased the incredible skills and talents of our emerging artists in grades 9-12, leaving lasting impressions on our community.

However, as an educational organization, we face numerous financial challenges in sustaining our theatre program. Our Drama Booster Club is launching an exciting new sponsorship program for the 2023-24 school year called **Spotlight Partners**. This is where your support becomes invaluable. By becoming a sponsor, you can help us continue to deliver outstanding theatrical experiences and impact countless individuals' lives.

Here are some compelling reasons to consider partnering with The Woodinville Drama Boosters as a sponsor of the WHSTC:

1. **Promote Community Engagement:** Supporting our theatre program is an opportunity to invest in our community's cultural enrichment. Our diverse and inclusive productions engage people from all walks of life, fostering unity and understanding while providing an escape from everyday routines.
2. **Amplify Brand Visibility:** As a sponsor, your brand will be prominently showcased throughout our productions and marketing materials, reaching a broad and diverse audience. Your commitment to illuminating the arts will be recognized, enhancing your reputation as a community-minded organization.
3. **Foster Talent Development:** By supporting us, you help nurture the next generation of actors, directors, designers, and technicians. Your sponsorship will enable us to provide training programs, workshops, and mentorship opportunities, empowering aspiring artists to develop their skills and pursue their dreams.

4. **Corporate Social Responsibility:** Aligning your organization with our theatre program demonstrates a commitment to corporate social responsibility. It sends a powerful message to your stakeholders, employees, and customers, showcasing your dedication to the arts, education, and the betterment of society.

To maximize the impact of our sponsorship program, we offer two customizable sponsorship levels, allowing you to choose the one that best aligns with your goals and resources.

- **Season Spotlight:** \$1,500 per school year. At this level, we thank you before each show, include your company ad in each printed and digital show program, list your business on the theatre's social media channels and list your logo on our website.
- **Show Spotlight:** \$500 per show. At this level. We thank you before the show and include your company ad in our printed and/or digital program for one production.

Thank you for considering this sponsorship plea. Together, we can create unforgettable experiences, inspire creativity, and build a stronger, more vibrant community through the magic of theatre.

With sincere appreciation,
